COASTAL CAROLINA UNIVERSITY

"Your Career, Our Professors"

Coastal Carolina University is a dynamic, public institution located near the vacation destination of Myrtle Beach, South Carolina, USA, which attracts more than 15 million visitors annually. More than 10,000 students from 50 U.S. states and more than 58 countries around the world interact with a world-class faculty.

Coastal Carolina University was ranked sixth in the South among all schools in the Best Value category by U.S. News & World Report and is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award bachelor's degrees, master's degrees and a doctoral degree. CCU offers 72 bachelor's degree programs, 18 master's degree programs, and a Ph.D. in coastal and marine systems science.

The University comprises 115 main buildings on 2.56 km^2 at its Conway campus, including the Coastal Science Center, the Burroughs & Chapin Center for Marine and Wetland Studies, and the General James Hackler Golf Course. CCU focuses on developing students professionally through their studies and classrooms engaged in applied learning, internships, research projects, and career advisement. Social life on campus is vibrant, with more than 180 student clubs and organizations, 13 residential communities, and intramural sports activities from surfing to soccer.
