

“Fisher College of Business is more than just a business school; it is a rich community that has enormous powers to energize, empower, and prepare an individual for life.” — Megha Joshi, MBA '12

THE FISHER MBA

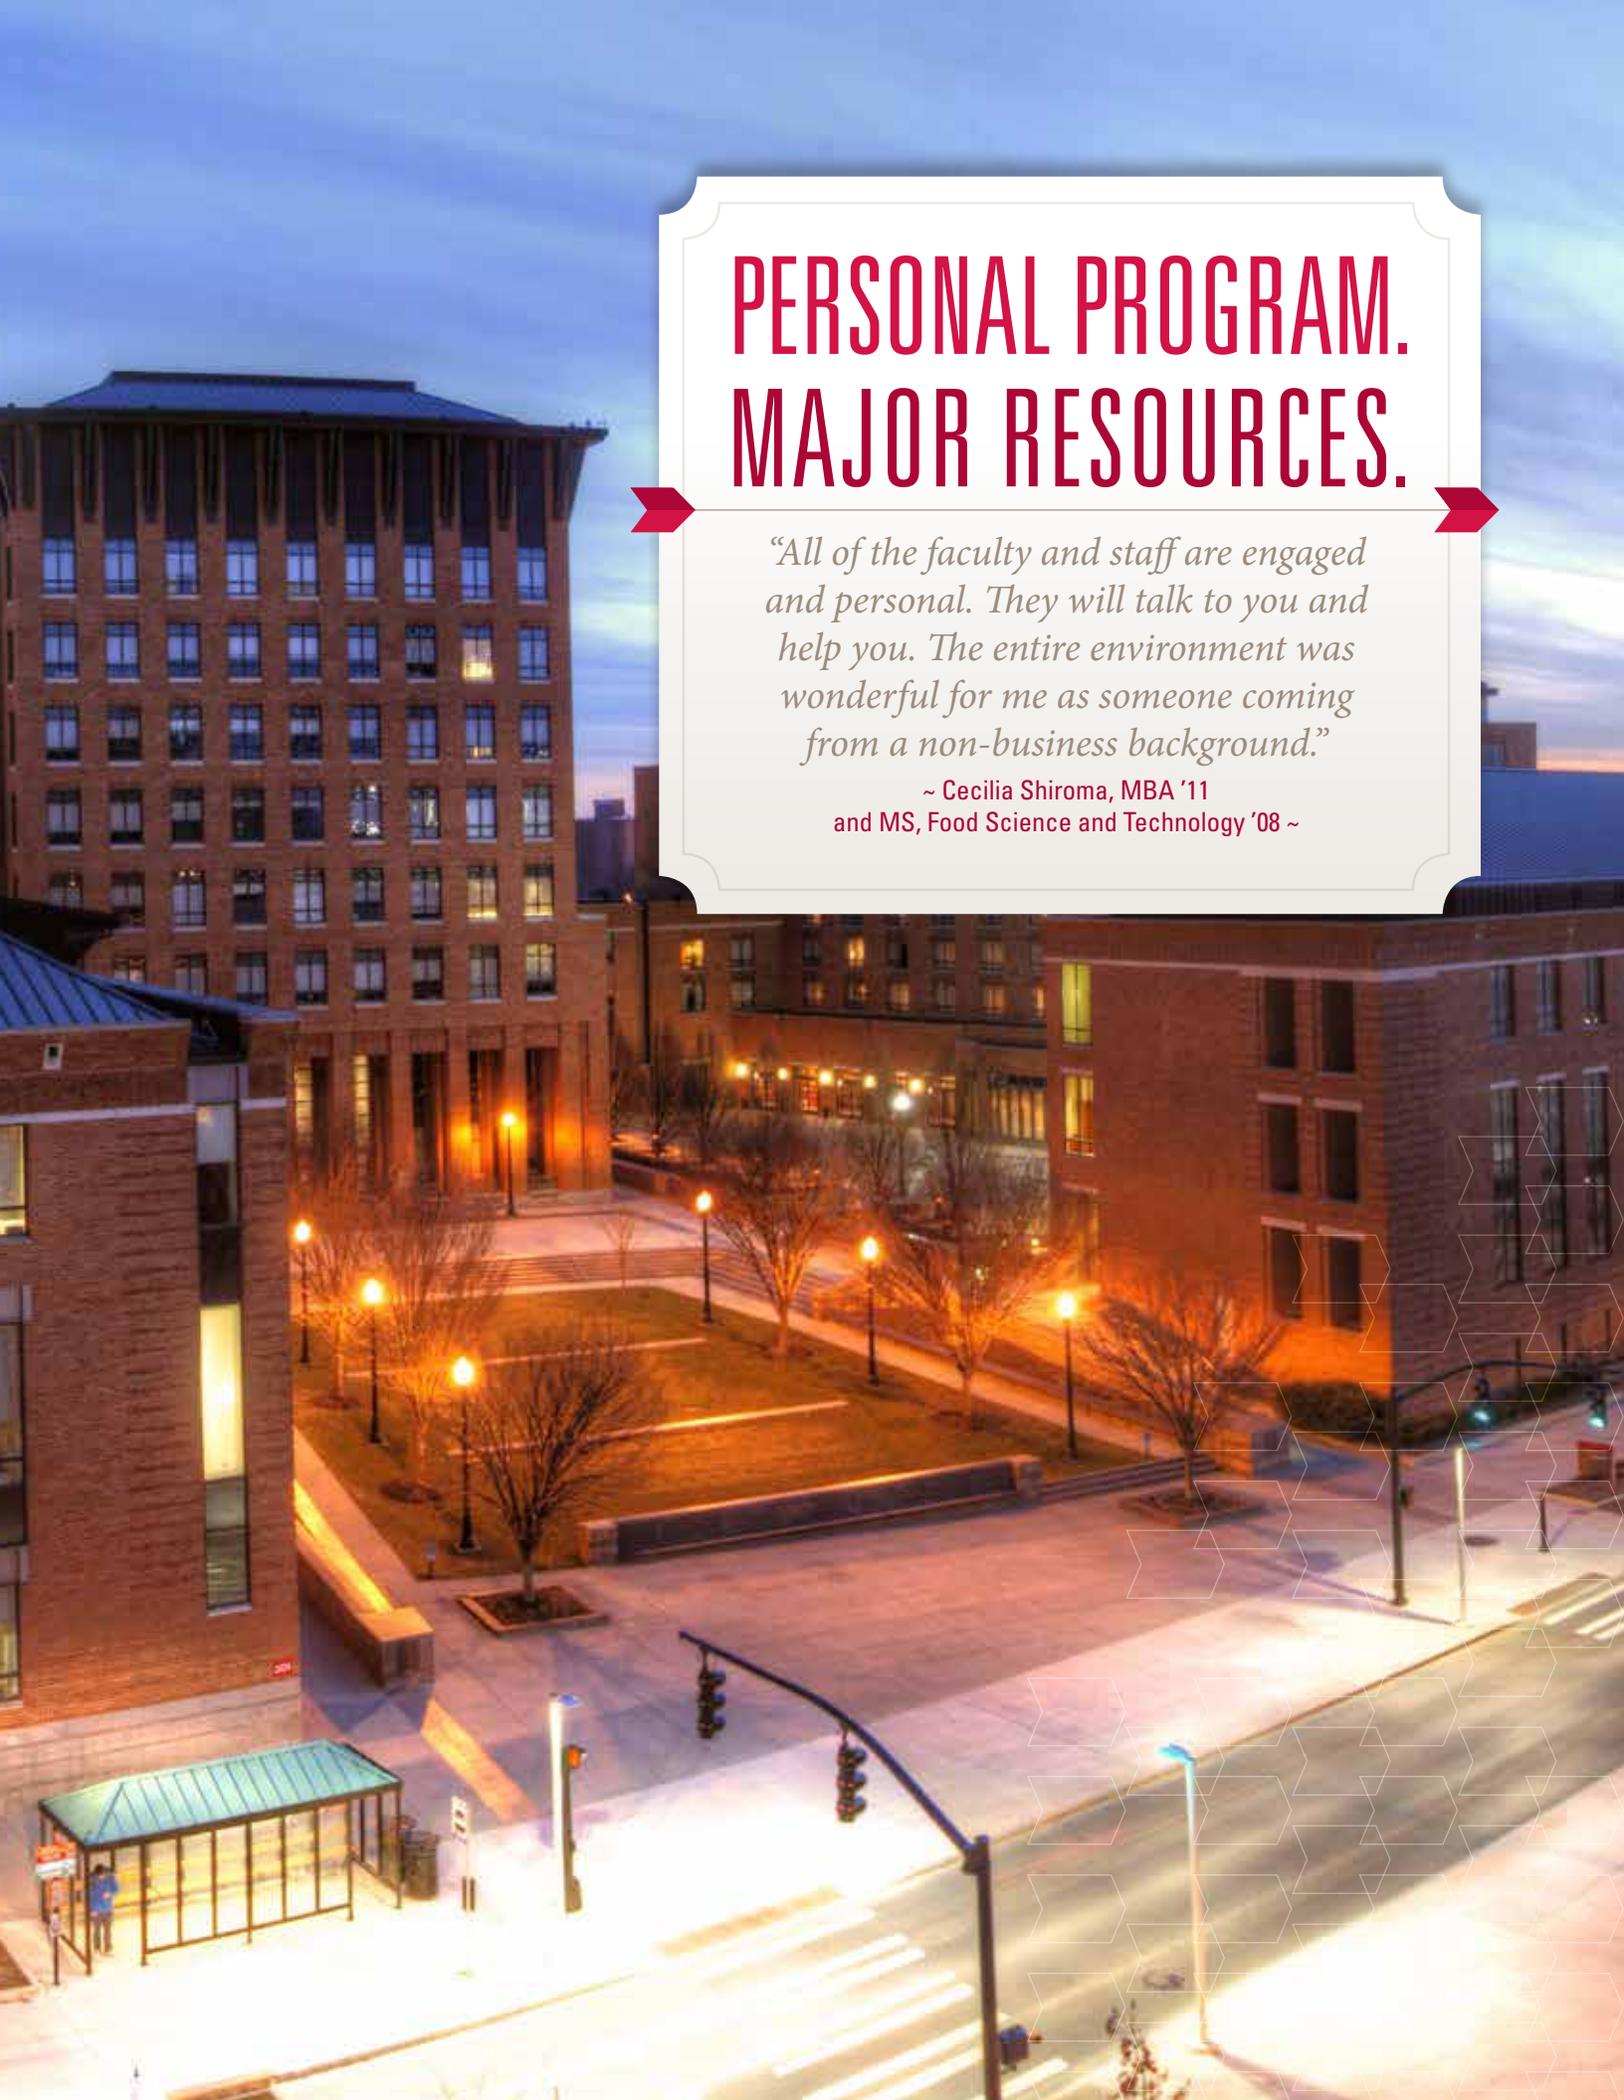

THE OHIO STATE UNIVERSITY

Individualized. Action-Based. Distinguished. Globalized. Proven.

THE OHIO STATE UNIVERSITY
FISHER COLLEGE OF BUSINESS

PERSONAL PROGRAM. MAJOR RESOURCES.

"All of the faculty and staff are engaged and personal. They will talk to you and help you. The entire environment was wonderful for me as someone coming from a non-business background."

~ Cecilia Shiroma, MBA '11
and MS, Food Science and Technology '08 ~

PERSONALIZE YOUR JOURNEY

At Fisher, you will immerse yourself in our individualized, consultative approach, closely collaborating with your peers and interacting with faculty who know you by name.

From planning your courses to finding the career that best fits you, our expert staff will provide you with one-on-one assistance throughout your time at Fisher.

- Visit go.osu.edu/MBAstudentexperience to learn more about the Fisher student experience

DESIGN YOUR EDUCATION

Your curriculum is highly flexible. More than half of your course work can be customized to fit your passions through electives offered at Fisher and in the more than 100 graduate programs at Ohio State.

You can choose to focus in any of our seven majors, or create your own to fit your career goals.

- Visit go.osu.edu/MBAacademics to view all your academic options

EXPLORE THE UNIVERSITY

While part of Fisher's intimate learning environment, you also have access to the extraordinary breadth and depth of resources at Ohio State. Our MBA program offers you the best of both worlds.

One of the nation's largest research universities, Ohio State offers hundreds of elective courses, campus-wide student groups, and strong ties to businesses across the globe.

- Visit go.osu.edu/OSU to learn more about Ohio State

JOIN OUR COMMUNITY

As a Fisher MBA student, you become part of a diverse and dynamic community. We invite you to join us today.

Profile of the 2015 Incoming Class

- 114 students from 14 countries
 - 57 different undergraduate majors
 - 664 average GMAT score
 - 3.5 average undergraduate GPA
- Visit go.osu.edu/MBAprofiles for complete class profiles

ACTION-BASED LEARNING. INNOVATIVE PARTNERSHIPS.

From your first day on campus, we prepare you to step out of the classroom and into the practice of business to gain hands-on experience with leading corporations and organizations. This real-world learning is woven into everything we do at Fisher and is powered by our vast network of partnerships with the local, national, and global business communities.

We offer countless ways for you to put theory into actual practice, including:

BUSINESS PARTNERSHIP CENTERS

Fisher's 11 centers elevate your MBA experience. You can pitch your best business idea to receive start-up capital and mentorship, develop new strategies to help grow the middle market economy, or create your own unique learning experience.

- Visit go.osu.edu/centers to learn more about business partnership centers

PROJECT-BASED LEADERSHIP DEVELOPMENT

New and innovative courses and programs in leadership put theory into practice through collaboration with business — and provide you with the foundational knowledge critical to your success.

- Visit go.osu.edu/leadership to learn more about leadership curriculum

STUDENT ORGANIZATIONS

Fisher prepares students to make an immediate impact in business and in their communities. Our MBA students are active in academic, professional, cultural and service-focused groups, including:

- **Fisher Board Fellows** — a student-run organization that places Fisher MBA students on the boards of nonprofit organizations in Columbus
- **Fisher Graduate Women in Business** — a student organization committed to supporting and empowering women in the MBA program and local community
- **FisherServes** — a graduate student-led organization that is committed to promoting awareness of civic and social responsibility
- Visit go.osu.edu/studentorgs to learn about more student organizations

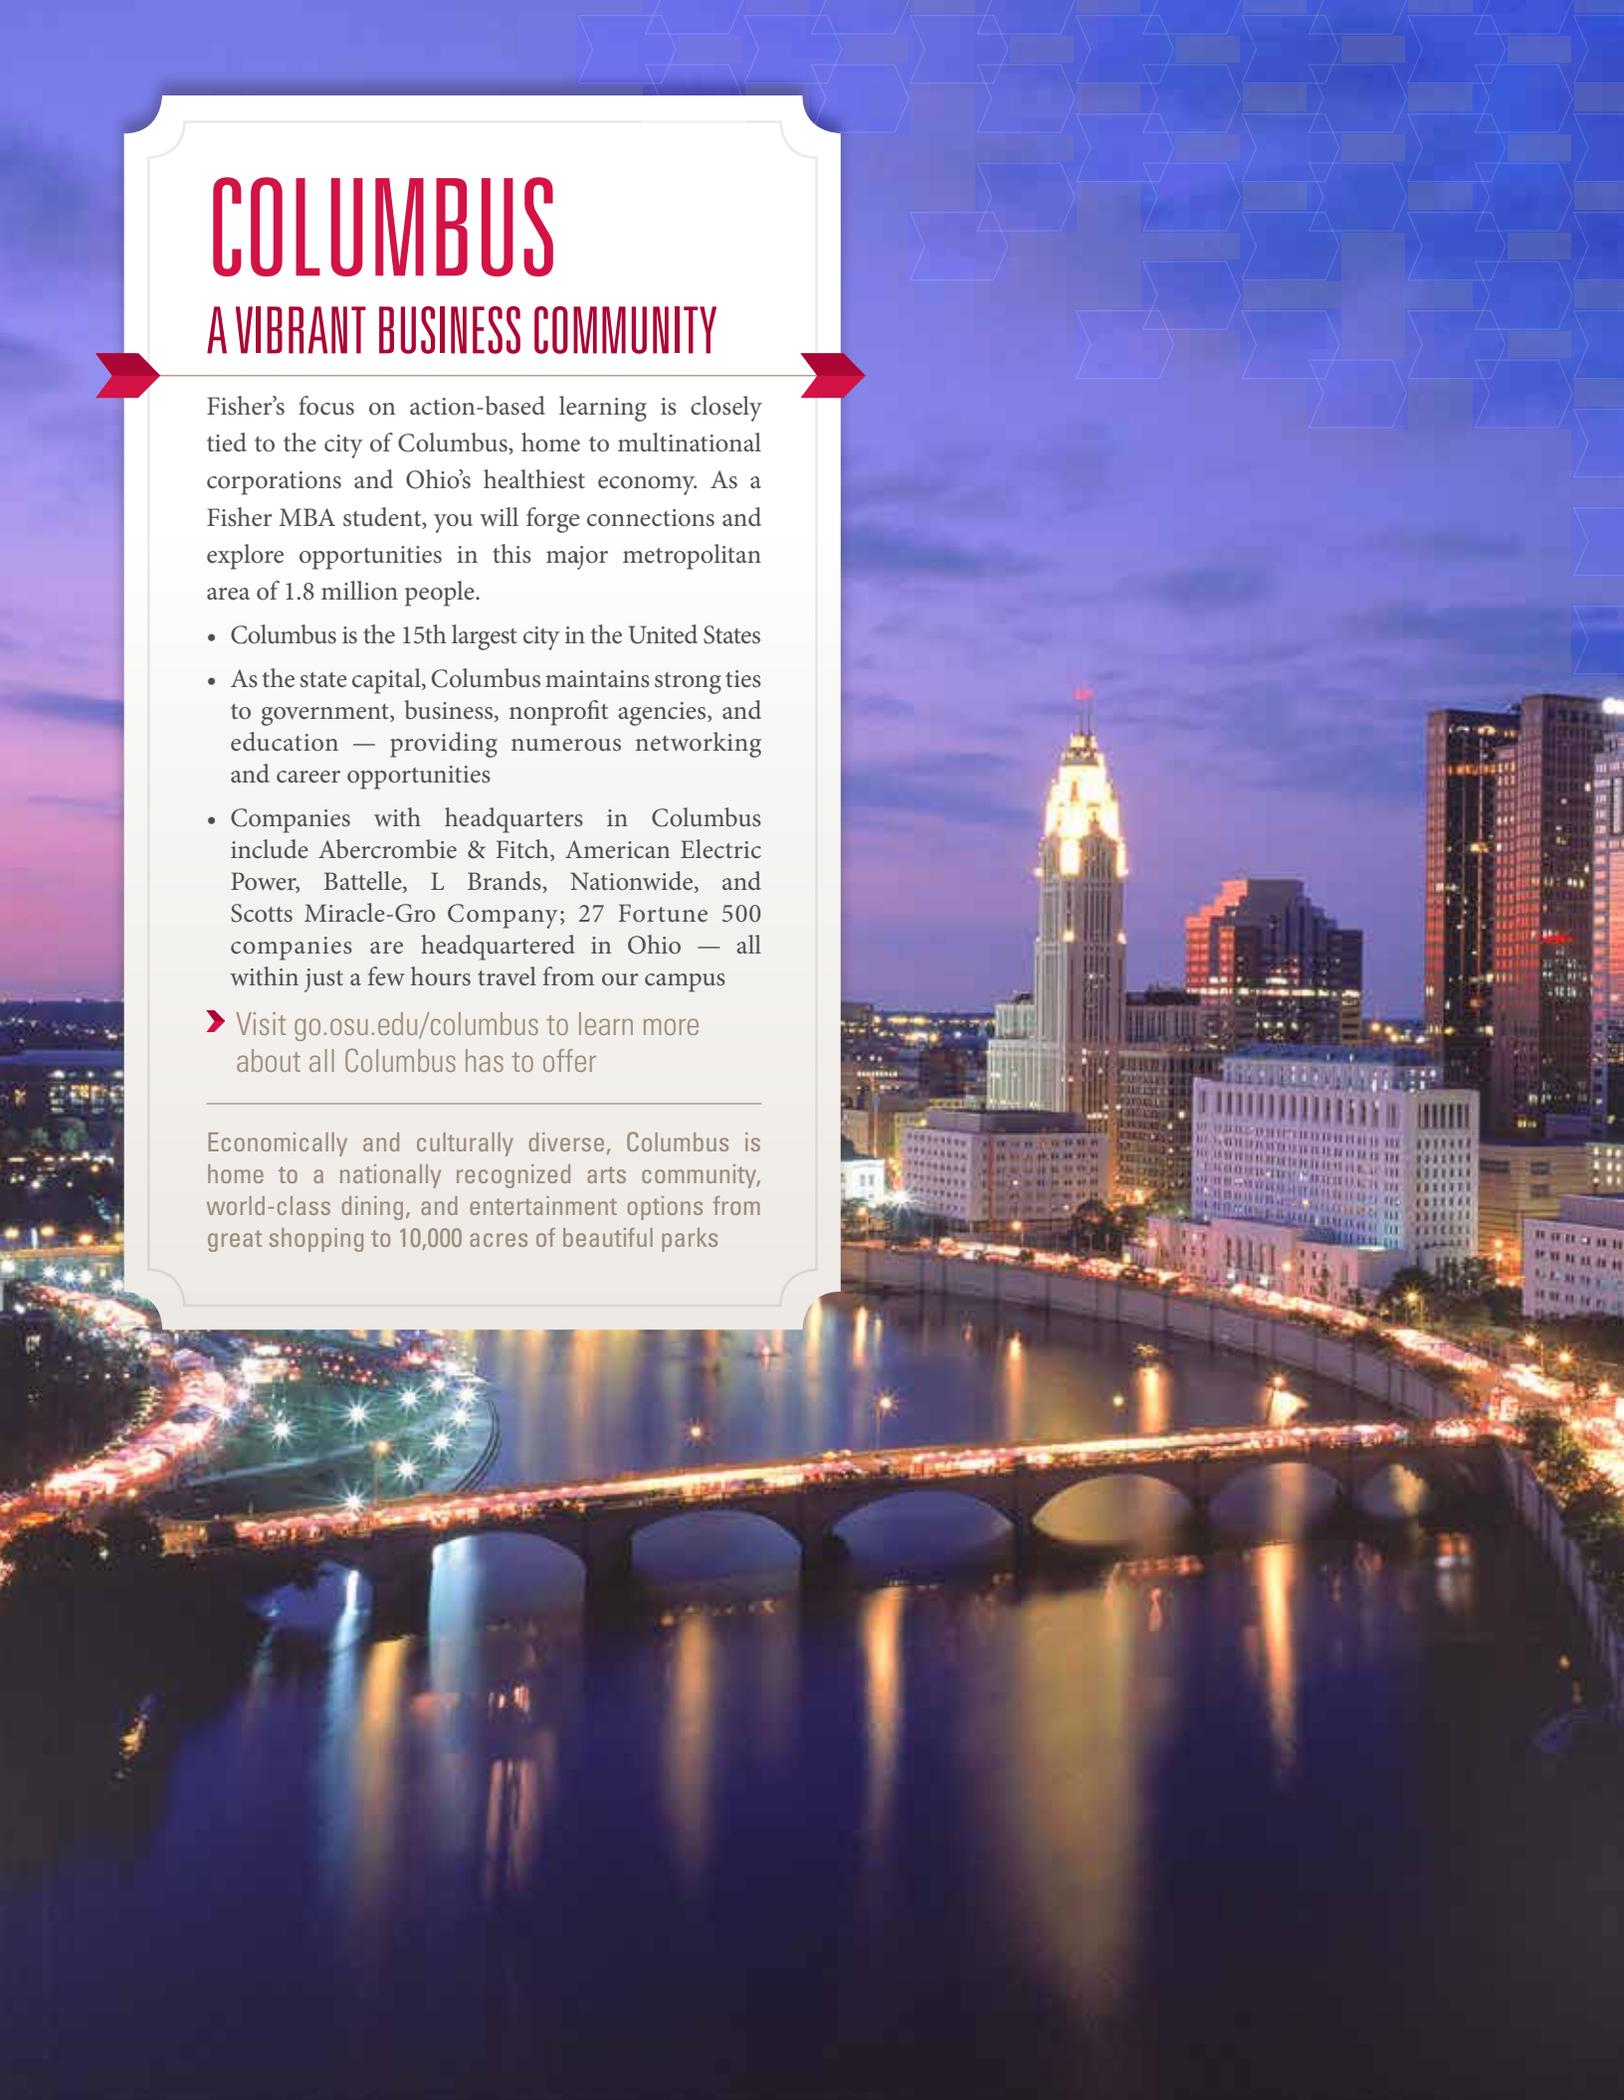

COLUMBUS

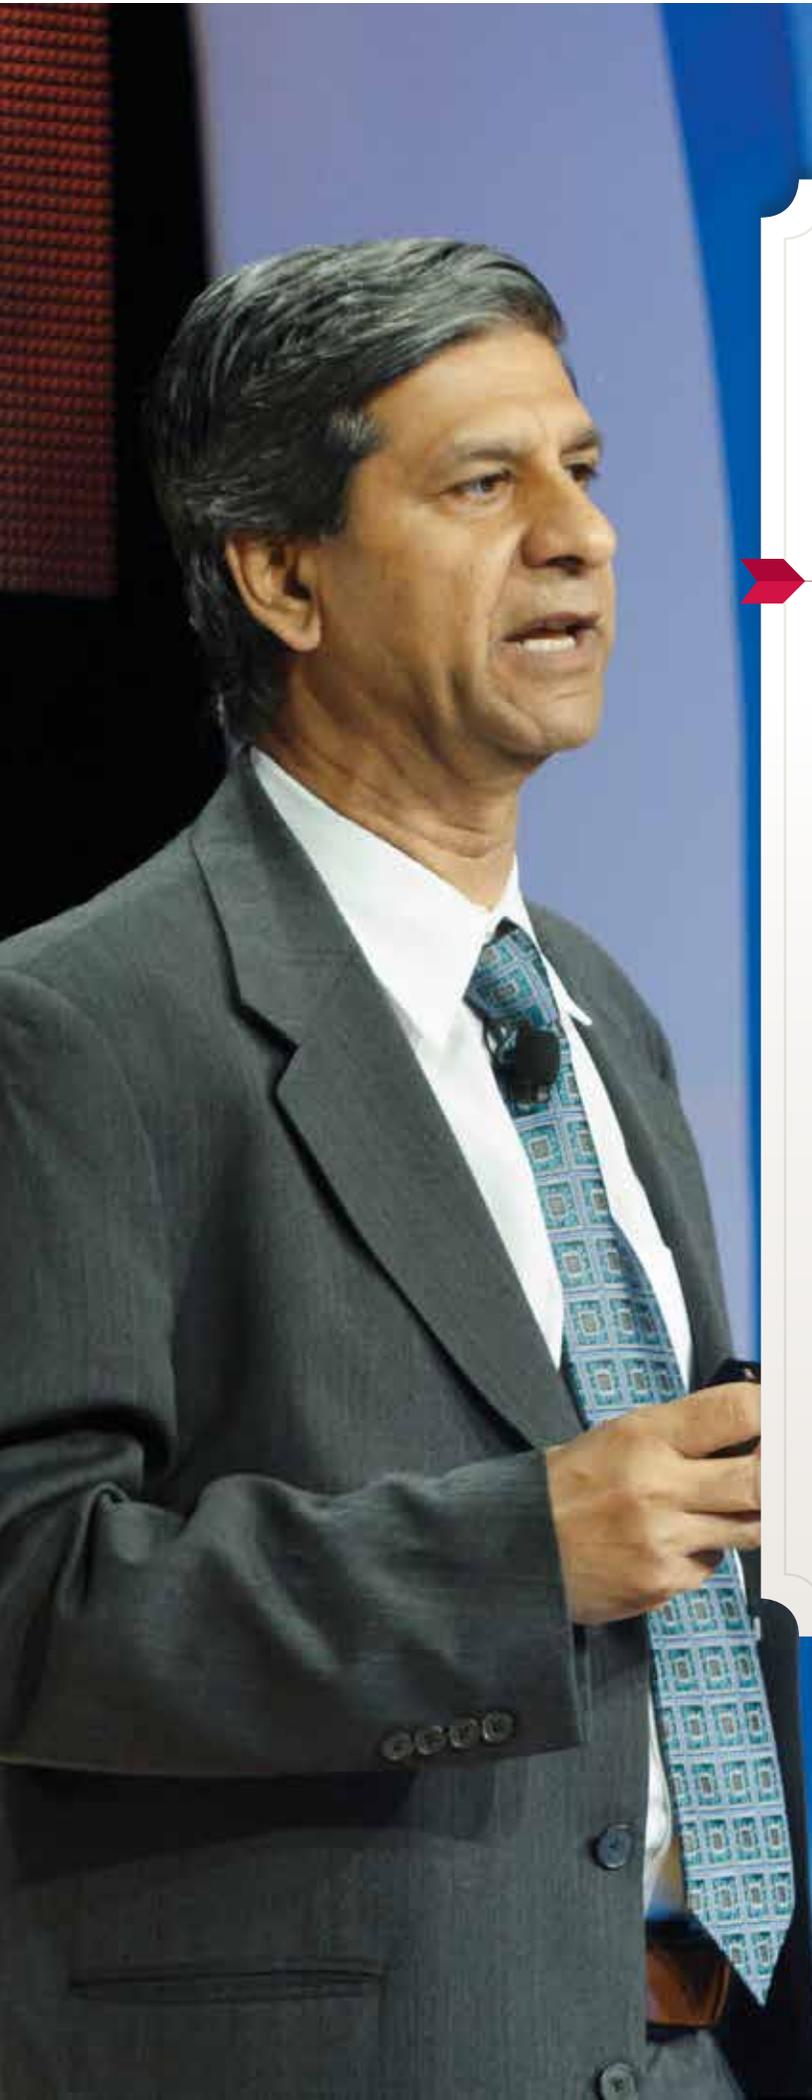

A VIBRANT BUSINESS COMMUNITY

Fisher's focus on action-based learning is closely tied to the city of Columbus, home to multinational corporations and Ohio's healthiest economy. As a Fisher MBA student, you will forge connections and explore opportunities in this major metropolitan area of 1.8 million people.

- Columbus is the 15th largest city in the United States
 - As the state capital, Columbus maintains strong ties to government, business, nonprofit agencies, and education — providing numerous networking and career opportunities
 - Companies with headquarters in Columbus include Abercrombie & Fitch, American Electric Power, Battelle, L Brands, Nationwide, and Scotts Miracle-Gro Company; 27 Fortune 500 companies are headquartered in Ohio — all within just a few hours travel from our campus
- Visit go.osu.edu/columbus to learn more about all Columbus has to offer

Economically and culturally diverse, Columbus is home to a nationally recognized arts community, world-class dining, and entertainment options from great shopping to 10,000 acres of beautiful parks

INSPIRING IN THE CLASSROOM.

DISTINGUISHED IN THEIR FIELDS.

Fisher faculty are as passionate about teaching the next generation of leaders as they are about impacting the way in which business is conducted.

Our student-to-faculty ratio is an impressive 3:1. You will know your professors and they will know you. You will have access to the very experts who are shaping global business strategies — and you will find that they will act as advisors and mentors as well as leading-edge instructors.

“Fisher’s world-class faculty is dedicated to providing our students with a depth and breadth of knowledge, research insights and real-world experience that gives new meaning to textbooks. They are innovative, engaged and committed to preparing our students to become successful leaders in business and in communities around the world.”

*~ Anil K. Makhija, Dean and
John W. Berry, Sr. Chair in Business ~*

ANTHONY RUCCI

*Clinical Professor of
Management & Human Resources*

- Joined the faculty of the college following a 28 year career as an executive officer with three Fortune 100 companies
 - Maintains an active advising practice for the board and executive leadership levels of companies and organizations
 - Recipient of numerous Outstanding Faculty Awards, a distinction determined by student voting
- Visit go.osu.edu/AnthonyRucci to learn more about his industry experience

REBECCA WALKER RECZEK

Associate Professor of Marketing

- Selected as one of the Marketing Science Institute's 2013 Young Scholars
 - Her current work explores consumer well being in the domains of health decision making and sustainability
- Visit go.osu.edu/RebeccaReczek to learn more about her research

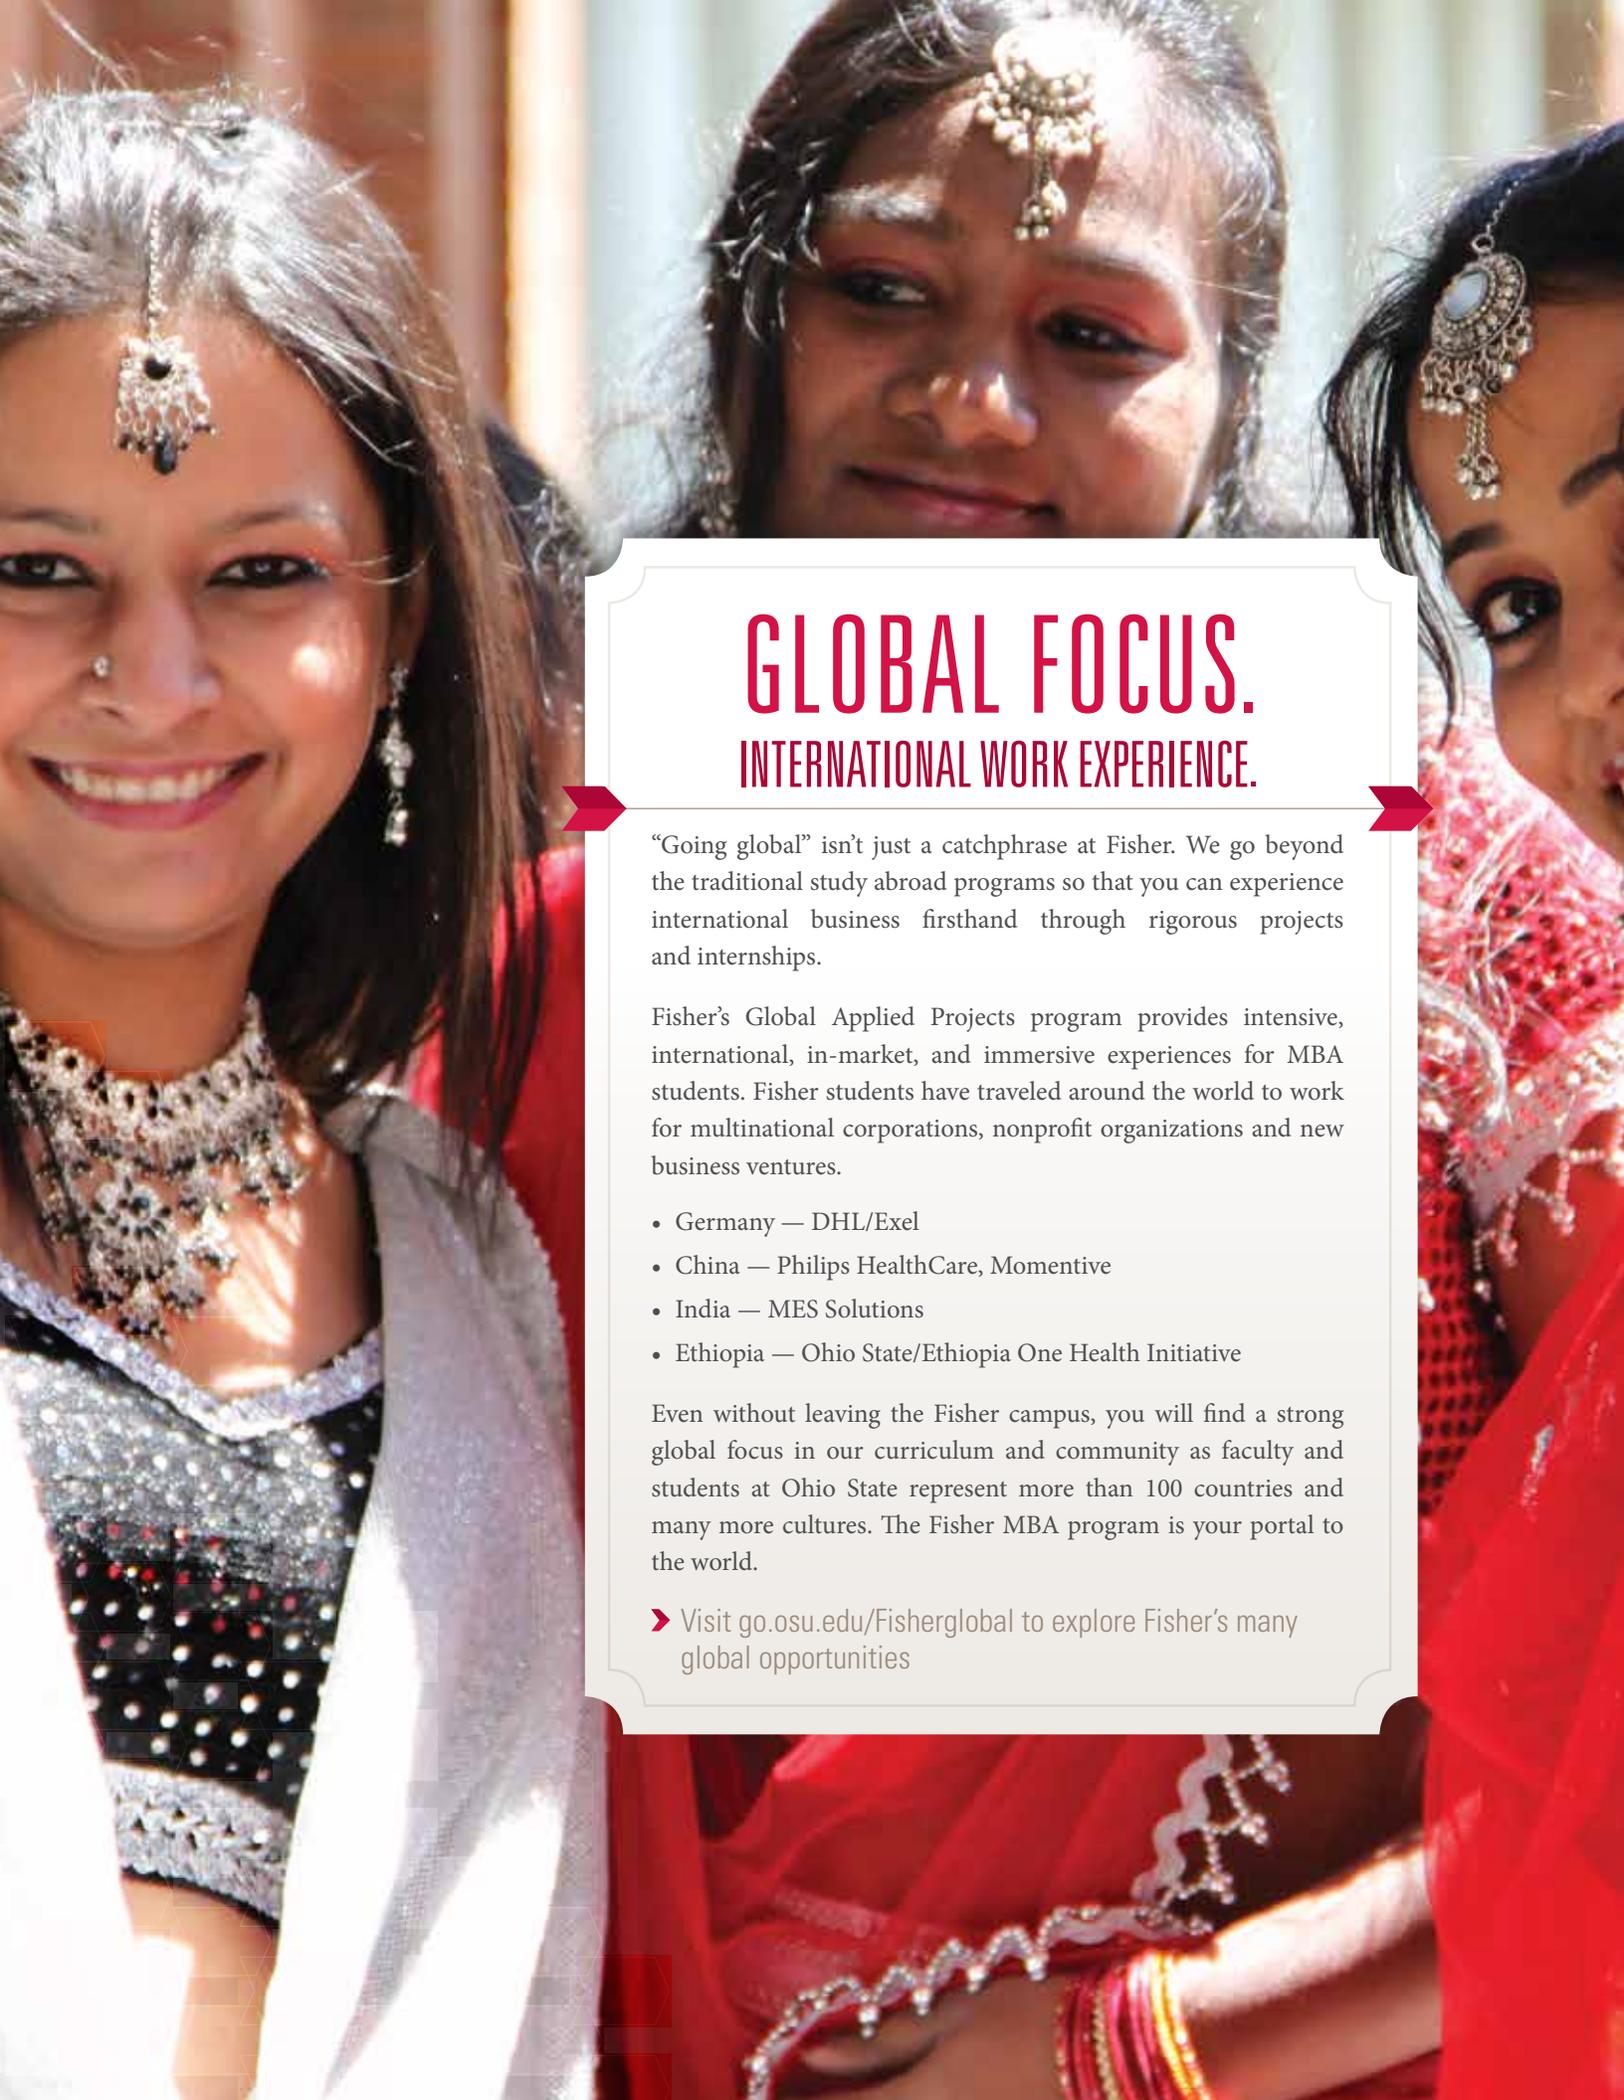

“The GAP program was my first experience managing a long-term project with a diverse spectrum of stakeholders from multiple companies and cultures. Spanning two continents, three organizations, and 12 weeks the program taught me an unimaginable amount and confirmed my decision to switch careers.”

~ Eric Mundt, MBA Candidate '16 ~

MBA students traveled to Kenya to help Greif develop a safe water initiative. They studied the feasibility of locally producing backpacks to transport drinking water and how to best distribute them to remote villages.

GLOBAL FOCUS.

INTERNATIONAL WORK EXPERIENCE.

“Going global” isn’t just a catchphrase at Fisher. We go beyond the traditional study abroad programs so that you can experience international business firsthand through rigorous projects and internships.

Fisher’s Global Applied Projects program provides intensive, international, in-market, and immersive experiences for MBA students. Fisher students have traveled around the world to work for multinational corporations, nonprofit organizations and new business ventures.

- Germany — DHL/Exel
- China — Philips HealthCare, Momentive
- India — MES Solutions
- Ethiopia — Ohio State/Ethiopia One Health Initiative

Even without leaving the Fisher campus, you will find a strong global focus in our curriculum and community as faculty and students at Ohio State represent more than 100 countries and many more cultures. The Fisher MBA program is your portal to the world.
