## What is American Honors?

American Honors is a 2+2 pathway program to Top 200 U.S. colleges and universities. We are a nationally recognized 2-year selective honors program at leading community colleges across the United States.

Start at American Honors and then transfer to a top school for your junior and senior year

## The American Honors Advantage

- **Locations across the U.S.** Whether you want to be in the vibrant cultural scene of New York City, the climate of Texas, or the relaxed nature-inspired atmosphere of Seattle, we have schools located right where you want to be.
- **360° support, one-on-one advising sessions.** You'll never be lost with American Honors. From enrollment through transfer, you receive personalized guidance on everything from your degree plan and course selection to school selection, financial aid, and scholarships.
- **Small, interactive classroom experience.** Enjoy an engaging honors curriculum in an environment that makes it easy to connect with professors and peers. With no more than 25 students in your American Honors classes, you can really get to know your fellow honors students.
- **A large transfer network & assured admission pathways.** Our transfer network provides students with assured admission to a number of top U.S. universities and competitive admission at many more. Want to attend a university outside of our network? **American Honors can help you get accepted into your dream school.**
