# Chapman University

In Orange, California

Founded in 1861, Chapman University is a top private university in Southern California recently honored as [one of Princeton Review's Best Colleges for 2017](#). As an academically distinguished university, Chapman offers opportunities to learn and explore alongside world-class faculty in beautiful [Orange County](#). Its perfect location allows students to access beaches and mountains, Los Angeles and San Diego, all within driving distance, providing convenient access for students to explore and enjoy, as well as participate in quality internships.

Known for its small class sizes, hands on learning, and personalized attention from [distinguished faculty members](#), students at Chapman are constantly contributing to their field of study. All faculty members teach directly to their students, and students are given opportunities to conduct research and work alongside their professors. This experiential learning in all disciplines sets Chapman's classroom experience apart.

Chapman has a strong commitment to educating global citizens which is evident through the many collaborations with the community, whether it be local or across the globe. For example, Food Science students travel to Vietnam to explore the food industry of the nation. Additionally, the Marriage and Family Therapy program is the only one in Orange County with an on-site clinic serving the local community. The [opportunities for students](#) to engage and contribute to their field both locally and globally are endless.

Chapman has just under [50 undergraduate majors](#), and more than [40 graduate academic programs](#), in the following fields and schools:

- [School of Business and Economics](#)
- [College of Film and Media Arts](#)
- [College of Science and Technology](#)
- [College of Health and Behavioral Sciences](#)
- [School of Pharmacy](#)
- [College of Educational Studies](#)
- [School of Law](#)
- [College of Arts, Humanities, and Social Sciences](#)
- [School of Communication](#)
- [College of Performing Arts](#)

Chapman enrolls just under 8,000 undergraduate and graduate students, including more than 450 international students from more than 85 countries. With such a diverse student body, Chapman has more than 150 [student clubs and organizations](#) that allow students to engage with peers to deepen their connections and widen their network.

With so much available to students, [Chapman University](#) is a place to discover, innovate, and create. Collaboration, connection, leadership, and knowledge are just some of the ways students benefit from the Chapman community.
