Davenport University

In Grand Rapids, Michigan

With a history dating back to 1866, [Davenport University](#) is a private, non-profit university with campuses across Michigan and online. Davenport prepares students to “Get Where the World is Going” in business, technology, health and urban education careers. Tuition is among the lowest of all private colleges and universities in Michigan while providing high academic quality, small class sizes (average of 15), conveniently located campuses, faculty with real-world experience and a dynamic curriculum addressing in-demand careers.

Offering primarily master’s and bachelor’s degrees, students can choose from nearly 80 programs in the colleges of [business](#), [technology](#), [health professions](#), [arts and sciences](#), and [urban education](#). Davenport enrolls 8,500 students, hosting international students from more than 75 countries! [Canada](#) is the top represented country among Davenport’s international students on campus and the university has several partnerships with colleges in the Ontario Province. Students at Canadian colleges can transfer credits and earn their degrees from home via DU’s Global Campus online. [Learn more about Canadian partnerships.](#)

Davenport is accredited by the Higher Learning Commission – North Central Association of Colleges and Schools (NCA), International Assembly for Collegiate Business Education (IACBE) and many others.

Davenport has been accepted into the NCAA Division II and will compete in the Great Lakes Intercollegiate Athletic Conference (GLIAC) beginning 2017-2018. Currently, Davenport competes in the Wolverine-Hoosier Athletic Conference (WHAC) of the NAIA with 20 varsity teams, including football, basketball, baseball, softball, track & field, lacrosse and more, plus 14 non-varsity teams such as hockey, rugby and competitive cheer competing in other leagues.
