The Killam Fellowships Program

www.killamfellowships.com

The Killam Fellowships Program provides an opportunity for exceptional undergraduate students from Canadian universities to spend either one semester or a full academic year as an exchange student in the United States.

Program Option 1: Direct Exchange Program

Students who apply to the direct exchange program between partner institutions will register at their home institution and attend the host institution as an exchange student and, during the course of their fellowship, will continue to pay tuition and fees to their home institution.

Program Option 2: Open Competition Program

Students from partner and non partner institutions may apply to the open competition (self-placed program) and will enroll as fee-paying visiting students at their host institution. The applicant is responsible to apply for admission of his/her chosen institution. However, the student may choose to apply for an existing exchange program through their home institution, and attend the host institution as an exchange student.

Through the Open Competition Program, you may apply to any accredited degree granting institution of your choice, in the United States.
