Fox Valley Technical College

in Appleton, Wisconsin

Fox Valley Technical College (FVTC) is an accredited, nationally recognized college located in beautiful Appleton, Wisconsin, U.S.A. FVTC has been part of the community for more than 100 years, serving the most most domestic and international students out of all 16 technical colleges in Wisconsin.

Affordable

Everyone is looking for a scholarship, right? At Fox Valley Technical College, there is no need to apply for a scholarship to enter. Tuition is one of the most affordable in the nation, making your final cost less than half that of other universities.

Practical Real-Life Training

“Technical” means students experience practical, real-life, hands-on training. No long lectures or sitting in a classroom of hundreds of students. Small class sizes of 15-25 students will provide you with personalized, one-on-one, discovery-based training. The training you need to get the job of your dreams.

More than 200 Programs of Study!

FVTC offers more than 200 programs, degrees, diplomas, and certificates including STEM (Science, Technology, Engineering, and Mathematics) programs. FVTC offers traditional programs such as Accounting, Business, Engineering, and Human Relations. Some more unique programs include Agriculture, Culinary, and Forensic Science. Intensive English Programs (IEP) are available in three levels and 2+2 credit transfer opportunities to 4-year universities will help save you money.

New Housing

Fox Valley Technical College is one of the few 2-year colleges in the U.S. to offer brand new housing. Tech Village is more than an apartment building; it is a student living community specifically designed for today's college students. Tech Village features high-speed internet and gathering spaces to foster social interaction and relaxation. The 4-bedroom, 2-bathroom apartments includes furniture, kitchen supplies, free cable TV, and laundry on every floor.

Personalized Support for International Students

The Global Education and Services department is dedicated to providing you with the best American college experience. World-traveled FVTC staff and faculty understand the challenges of living in a new country and are ready to help guide you, even before your very first day on-campus all the way to graduation.

Fox Valley Technical College's modern facility has a fun activity center, exercise facility, free tutoring, free on-campus nurse, large café shop, four restaurants including a 5-star restaurant, and so much more. Students participate in more than 60 student clubs and professional organizations.
