## University of North Carolina Wilmington

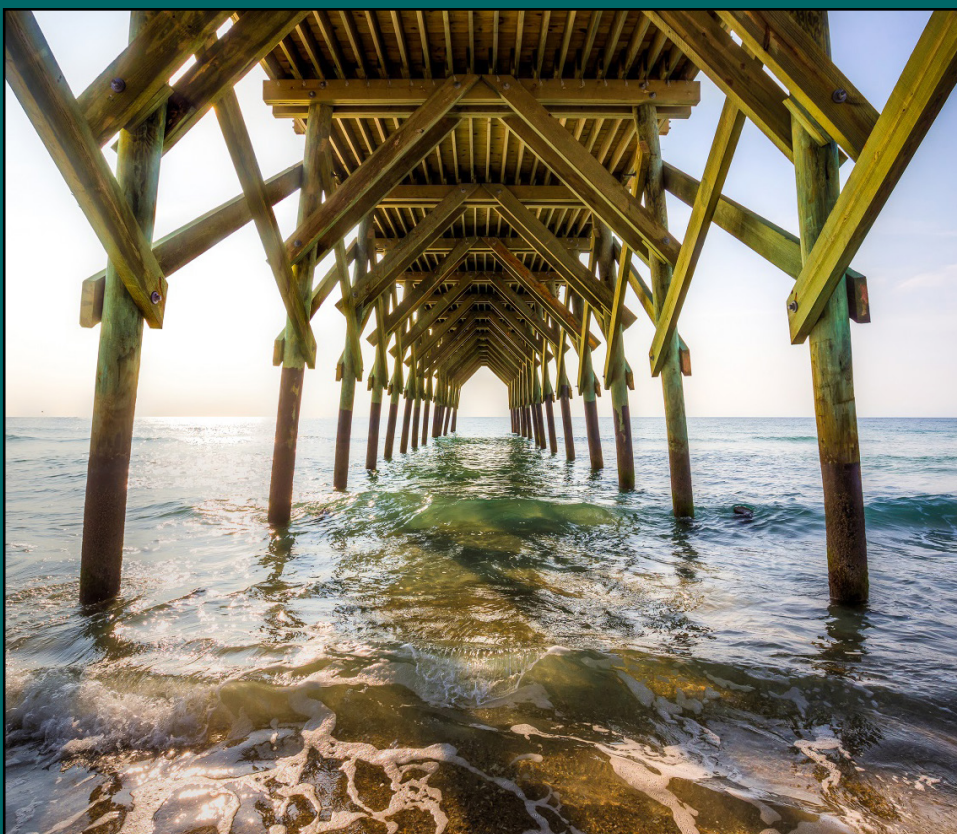

in Wilmington, NC

The [University of North Carolina Wilmington](#) welcomes students from 42 states and more than 40 countries, with a student body of over 17,000. Once students arrive, they recognize a sense of belonging they didn't realize was missing. Many students find they feel right at home. UNCW is a

mid-sized public institution, with a private, tight-knit feel. With moderate temperatures year-round and a beautiful campus to explore, the University of North Carolina Wilmington is sure to be a good fit for those seeking outdoor adventures. Students who select UNCW will have no shortage of learning, activities, research, or camaraderie. Students can be a part of it all!

UNCW is located on the East Coast of the United States in [Wilmington, North Carolina](#), which is minutes away from one of National Geographic's World's Best Surf Towns, [Wrightsville Beach](#). In just 10 minutes, you can be a part of some of the best

surfing the East Coast has to offer. Not only this, but Wilmington has a vibrant culture that celebrates the arts, film, and music. As well as a host of campus/community connections to ensure students find where they belong both on and off-campus.

At North Carolina's coastal university, students enjoy a powerful academic experience that stimulates creative inquiry, critical thinking, and thoughtful expression in a beautiful campus setting. The university specializes in programs for [Marine Biology](#), [Business](#), [Film Studies](#), [Tourism Management](#), and many distance learning options, including clinical research, an accelerated RN-to-BSN program, an Executive M.B.A. program structured for working professionals, and the nation's only bachelor's degree program focused on coastal engineering. UNCW has a vast variety of [options](#). [Applied learning](#) is an essential part of the UNCW student experience. Students are encouraged to integrate theories, ideas, and skills into new contexts. UNCW prepares students for the global world outside the classroom through four core categories of applied learning: research, study abroad, internships, and service-learning.

It doesn't matter where students come from. Everyone finds their place at UNCW. At UNCW, students discover who they want to become. Be sure to visit UNCW's [virtual tour](#) to virtually walk around UNCW's beautiful 600+ acre campus and check out our international student [scholarships](#). Are you ready to be a Seahawk?
